PROGRAM INFORMATION

Target Audience

This meeting is designed for anesthesiologists, anesthesia providers, practitioners, nurses and administrators who work and specialize in ambulatory, office-based or non-operating room anesthesia.

About This Meeting

The purpose of this meeting is to educate and share information that will enable anesthesiology practitioners to provide the highest level of ambulatory anesthesia services and improve patient outcomes. Topics for this meeting were selected by various methods. Suggestions for topics were derived from evaluations of the 2023 and other previous Annual Meetings. In addition, the Annual Meeting Committee and Board members review the published literature with the highest impact on the specialty and solicit suggestions from members of SAMBA active in the clinical practice of ambulatory anesthesia. These suggestions were discussed with educators who attended previous SAMBA meetings.

Registration

Registration for the 2024 Annual Meeting includes all sessions and the program syllabus. Note that all fees are quoted in U.S. currency. Registration for the meeting can be made through SAMBA's website at www.SAMBAhq.org.

Registration Deadline

The early registration deadline for the meeting is March 31, 2024. Registrations received after March 31, 2024, will be processed at a higher fee.

ACCME Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Society for Ambulatory Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

Accreditation Information

The American Society of Anesthesiologists designates this live activity for a maximum of **xx.xx** AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Maintenance of Certification in Anesthesiology® program and MOCA® are registered trademarks of The American Board of Anesthesiology®. MOCA 2.0® is a trademark of the American Board of Anesthesiology®.

This activity offers up to **xx.xx** CME credits, of which 5.25 credits contribute to the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology® (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Disclosure Statement

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Disclosure information will be provided to participants before the start of the activity.

Statement of Need

The SAMBA Annual Meeting provides a forum devoted to ambulatory and office-based anesthesia offering clinically relevant lectures, panels and workshops; highlights of innovative ambulatory and office-based practices; networking opportunities with peers and experts in the field; and exposure to relevant products/services of interest to our attendees in the exhibits area.

Special Needs

The Society for Ambulatory Anesthesia fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact SAMBA at (414) 488-3915.

Cancellation Policy

Cancellations received through April 1, 2024, will receive a full refund. Cancellations received from April 2, 2024 through April 24, 2024 will receive a refund less a \$200 administrative fee. Refunds will not be given after April 25, 2024. Cancellation of a meeting registration must be submitted in writing. Refunds will be determined by date written cancellation is received at the SAMBA office in Milwaukee, WI.

Overall Learning Objectives

At the conclusion of this activity, participants should be able to:

- Discuss needed guidelines for NORA anesthesia.
- Discuss pros and cons of GLP1 and IV Tylenol medications.
- Understand the perioperative expectations for orthopedic patient care in ambulatory surgery from pre-op to discharge.
- Discuss self-care and professional concerns of the anesthesia provider in ambulatory settings.
- Understand care for type 2 diabetic patients in ambulatory surgery.

PROGRAM SCHEDULE

THURSDAY, MAY 2, 2024

Time	Event
7:00am – 8:00am	Sponsored Breakfast Symposium (Non-CME) by Mindray North American “Intraoperative Ventilation: Lung Protection and Beyond”
7:00am – 8:00am	Welcome Breakfast
8:00am – 8:05am	President’s Welcome Steven Butz, MD, SAMBA-F, FASA
8:05am – 8:15am	Introductions & Housekeeping Basem B. Abdelmalak, MD, FASA, SAMBA-F Simon Lee, MD
8:15am – 9:15am	Panel: NORA Snap Talks <i>Moderator: Basem Abdelmalak, MD, FASA, SAMBA-F</i> <ul style="list-style-type: none"> • Best Practice in NORA Operations Justin Routman, MD, MSHA • New ASA Statement on NORA Services Basem B. Abdelmalak, MD, FASA, SAMBA-F • When Should NORA Become ORA Michael O’Rourke, MD, FASA
9:15am – 10:15am	Panel: Emergencies at Your ASC <i>Moderator: Mark C. Phillips, MD</i> <ul style="list-style-type: none"> • Active Shooter Michael Guertin, MD, MBA, CPE, FASA • Cardiac Arrest Jamey E. Eklund, MD • Power Outage/Natural Disaster Justin Routman, MD, MSHA • Intoxicated/Out of Control Patient or Family Member Mark C. Phillips, MD
10:15am – 10:30am	Break
10:30am – 11:45am	6 “P”s of OBA <i>Moderator: Moderator: Fred E. Shapiro, DO, FASA</i> <ul style="list-style-type: none"> • Patient Selection BobbieJean Sweitzer, MD, FACP, SAMBA-F, FASA • Place Richard D. Urman, MD, MBA • Personnel Niraja Rajan, MD, SAMBA-F, FASA • Policies Steven Butz, MD, SAMBA-F, FASA • Procedures Fred E. Shapiro, DO, FASA • Practice Management Meghan C. Valach, MD
11:45am – 12:15pm	Pro/Con Debate: Pre-Operative GLP1 Agonists <i>Moderator: Simon Lee, MD</i> Girish P. Joshi, MBBS, MD, FCAI, SAMBA-F (ASA Recommendations are Good Enough) BobbieJean Sweitzer, MD, FACP, SAMBA-F, FASA (ASA Recommendations are Not Good Enough)
